

Can you escape your fate?

Daughter of Doom

JEAN-CLAUDE VAN RIJCKEGHEM

Denmark, 870 AD. Yrsa is a tough Viking girl with a club foot who won't let herself be pushed around. She turns out to be a seer, which makes her even more of an outsider. When her father and his men return from a raid with a nun, who's also a king's granddaughter, Yrsa is tasked with looking after the hostage. The two girls and everything they believe in couldn't be more different. And yet, slowly a friendship develops between Yrsa and Sister Job. When the nun is raped and she and Yrsa leave the perpetrator for dead, they're forced to flee. Can they escape the wrath of Yrsa's clan? Can they escape their fate?

One of the most extraordinary YA novels of the year ****

DE STANDAARD

'Daughter of Doom' is a cinematic adventure novel in which two women hold their own at a time when this was anything but a given. Jean-Claude van Rijckeghem has created two beautiful characters, who are deeply rooted in their respective faiths. Both Yrsa and Job are convinced that fate is unavoidable, each in their own way, and yet they manage to find their own path in life. Van Rijckeghem peppers the story with action and suspense, but never at the expense of depth. The occasional humour is a nice finishing touch. A remarkable book about fate, faith and free will, in vivid language.

A compelling historical adventure full of exciting, filmic scenes. Van Rijckeghem proves yet again that he's one of the best writers in the genre.

TROUW

AUTHOR

Jean-Claude van Rijckeghem (b. 1963) has written and produced many feature films in Belgium, including the Cannes Critics' Week winner 'Moscow, Belgium'. For some time, he and Pat Van Beirs formed a successful writing duo that created acclaimed and prize-winning historical novels. Van Rijckeghem is widely praised for his vibrant language. *Photo © Koen Broos*
