

A caustic parable about our dealings with Africa

The Gift

GAEA SCHOETERS

AUTHOR

Gaea Schoeters (b. 1976) is a very versatile author. She has written all sorts of texts, from travelogues and novels to operas and theatre plays as well as children's books. Additionally, she works as a journalist and writes columns and essays about current topics for various newspapers and literary magazines. Her work, praised for its descriptive and detailed writing style, is situated between formal experiment and social engagement. Photo © Annelies Van Parys
