

POETRY

Collected poems of an idiosyncratic
pioneer

The Goal is White

MARK INSINGEL

AUTHOR

Mark Insingel (1935-2024) is the pseudonym of Marc Donckers. He was a poet, prose writer and author of radio plays. His attention to the aural and visual aspects of language consistently produced literary works in which he experimented to the utmost with form and structure. He was among the first in the Flemish literary landscape to publish concrete and visual poetry.

ORIGINAL TITLE: Het doel is wit. Verzamelde gedichten (2017, Poëziecentrum, 557 pp.)
