

Wondrous portrait of a family
in despair

Fish Don't Melt

JEF AERTS

Matti sets out on the ice road to town on the coldest night of the year to bring his father's favourite fish to safety. His cousin Jarno wants the fighting fish that belong to Matti's depressed father to compete during the winter festival. Matti has to keep the fish alive in a hot water bottle on the long, freezing journey. Out on the ice at night, he meets Drika, who is almost blind, and who, like Matti, has a goal to achieve. The two strike up an odd friendship. Meanwhile, time is ticking and the temperature in the bottle is dropping.

Such layering, such rich atmosphere
and magnificent dialogue, this is
unprecedented.

JAAP FRISO

'Fish Don't Melt' is an atmospheric and exciting story about a night full of threat and disaster, but above all a book about love. It's about loving one another and finding a way to express that love. The wondrously icy setting adds a fairy-tale touch. In language that is both striking and original, Jef Aerts creates a layered picture of a family who clumsily get in one another's way. With wonderful dialogue and poetic imagery, he makes 'Fish Don't Melt' a sparkling narrative.

Jef Aerts excels for his writing style,
with an eye for detail and the ability to
write small scenes like works of art.
